

CHANGED in Christ Inc. is excited for it's second year of our youth fishing program - Kingdom Casters! This day camp allows boys, ages 12-16, the chance to spend time in fellowship and on the water with mentors, learning the ins and outs of fishing, while also hearing the gospel and growing in the Lord!

At Kingdom Casters day camp, boys will learn the basics of fishing:

- Fish Species & Identification
- Proper Fish Handling Techniques
- Basic Entomology (What Fish Eat)
- Education on Basic Fishing Equipment:
 - Rods
 - Reels
 - Bait & Lures
- Knots & Rigging Techniques
- Casting Instruction & Practice

They will also be educated on:

- Basic Boater Safety
- Importance of Environmental Conservation
- Fish Cleaning & Prepping

Most importantly - at Kingdom Casters day camp, boys will hear the gospel of Jesus Christ. Combining fishing principles and techniques with biblical truths, we are able to create a fun atmosphere for boys to learn how to fish (many who otherwise might not have the opportunity), and most importantly learn about the importance of a relationship with Christ and what it means to be a fisher of men!

Our mission is to teach these boys a fun and safe pastime, while at the same time getting them excited about the joy that comes from a relationship with Jesus - both of which they can enjoy and share with others for the rest of their lives!

At the end of camp, boys will be gifted and sent home with their own fishing pole, tackle box with starter tackle, Kingdom Casters t-shirt, boy's study bible, and resources to guide them in their new passion of fishing - **both for fish and for men!**

And Jesus said to them, "Follow me, and I will make you fishers of men." Matthew 4:19
